

RANGOLI

Rangoli is one of the arts of Bharat. It is a traditional way of decorating courtyards and walls of houses, places of worship and sometimes eating places as well. Traditionally the powder of white stone, lime, rice flour and other cheap paste is used to draw intricate. But if powder is not available, markers can also be used to draw different patterns of Rangoli. Let us try to learn here a simple design (pattern) of Rangoli.

- a) Draw a rangoli pattern with markers onto a construction paper (see below for one type of idea).
- b) Put the construction paper onto a cardboard (for better support when decorating).
- c) Decorate the patterns with different types of colored dals: moong dal, mag, tuar dal, whatever dried beans we have at home.
